

### **Road Construction Update**

**The bridge work on Godfrey Road and Pent Road is anticipated to be completed by July 10, 2015.**

**Replacement of Retaining Wall on Route 53 near Weston Racquet Club in the Town of Weston is expected to begin on June 18, 2015**

The project consists of replacing the retaining wall structure on Route 53, opposite the Weston Racquet Club. Route 53 will have alternating one-way traffic at the retaining wall location using temporary traffic signal to direct traffic. The project is anticipated to be substantially complete by September 15, 2015.

**Replacement of the Cobb's Mill Bridge will begin on July 1, 2015.**

This project consists of replacing the bridge at the intersection of Route 57, Old Mill Rd. and Route 53. Trucks will not have access to Old Mill Rd. Old Mill Rd. from Georgetown Rd. to the Cobb's Mill Inn will be one way. Vehicles will not have access from Cobbs Mill Inn to Georgetown Rd. This project is anticipated to be substantially complete by September 15, 2015.
